(13) Raymond took off running. Ronald and Raymond went to Raymond's car and I saw my sister, Kinetta, in front of the school. She said our mother was on the way to the school. When she got there I told her what had happened and we drove to Capricorn to where Raymond stays. We got Ronald and went home.

(14) My mother took me to Talladega Hospital on the following Monday. They took X-rays and said there was a broken blood vessel in my right leg. I was taken to Dr. Mollie Walker in Tuskegee a couple of ^{days} ~~weeks~~ later to be checked out. I was taken back to Dr Walker a couple of weeks later.
